

Product Specification Sheet

| | |
|---------------|-------------------------|
| Product name: | Premium Speed Bump 75mm |
|---------------|-------------------------|

Product code *Model*

High quality UK manufactured speed bump with metal chequer plate effect finish, rated at 5mph. Unique bolts are tried and tested in both concrete and tarmac surfaces. Sold as a kit with all components, even the drill bit. Innovative moulding process means the yellow sections are coated with a thick yellow polymer for long-lasting colour. Each 1/2M section has two reflectors on each side. Dog-bone connectors are fitted on the underside for increased stability. Each mid-section has a 22mm diameter channel on the underside to accommodate cable / pipe.
