

Timber Front Litter Bin

This Timber Fronted Litter Bin looks great outdoors and blends in to its surroundings beautifully. The glass fibre composite body is available in a choice of colours. This Timber Fronted Litter Bin has a budget lock and 'TIDYMAN' plate as standard but can be customized to collect any recycling stream with apertures to match.

It is available in a range of wood or wood effect recycled plastic finishes.

A galvanized steel liner is integrated with the front panel section for easy emptying.

Shown with optional flap. Other options include rat modification and handle.

Please note: wood is a natural product and will require routine maintenance typically after one years' service. We hope you understand that wood is a natural product and is therefore subject to infinite changes in colour and marking.

Bin Dimensions:

Capacity	Height	Width	Depth	Weight
105 litres	914mm	482mm	432mm	32.6kg

Aperture Dimensions

Height	Width
110mm	270mm

10 Year Anti-Perforation Warranty

Our Galvanized steel products feature a 10 year anti-perforation warranty as standard. This guarantees the surface of our products from rusting through completely.
